Resolution Freedom from Domestic Violence

Eglaine presented on the resolution on behalf of the University of Iowa Clinical Law Programs and also the Domestic Violence Intervention Program (DVIP). Subject: Juneteenth 2016!

Hi All,

I hope that you are well. First, thank you to all those who have hung in there with us all these year and welcome to our new folks! I am excited about the wonderful work and conversations that Juneteenth has brought to our community but we all know that the conversation and action steps and accountability must continue. Our community continues to grow in diversity and its complexity is what makes our community unique and a great place to live.

I would like to begin the planning process for this summer. I have already followed up on the requests from the previous wrap up meeting of last year's fantastic event.

The group decided on June 25, 2016 and decided to go back to Mercer Park as it was a better fit with trees and grass for the little ones to play on and we missed the playground equipment which I just heard that they are putting up brand new equipment in the first time in a years. (YAY!)

The day of the week that works best for me is Thursday until March when I am available on Wednesday evenings as well. We have meet in the past at 6pm. Our meetings are usually an hour or so and we try to leave with small assignments so that we can all carry the work forward. I am able to do this as a part of my job so we will get some things done during work day hours.

Come with ideas for a theme so that we can get the save the date out as soon as we can. (My idea: Future Focused)

Also if you are not interested this year, please let me know!

Thanks,

LaTasha DeLoach

Re: Iowa City Resolution to Establish Freedom From Domestic Violence as a Fundamental Human Right

Dear City Council of Iowa City:

We at the University of Iowa College of Law Legal Clinic (the "Legal Clinic") along with our client, the Domestic Violence Intervention Program ("DVIP"), have been working together to create the attached Iowa City Resolution to Establish Freedom From Domestic Violence as a Fundamental Human Right ("Resolution"). We now ask the City Council of Iowa City to adopt the Resolution.

Across the nation, other municipalities have passed similar resolutions. For example, cities such as Chicago, IL, Albany, NY, and Austin, TX have adopted resolutions recognizing freedom from domestic violence as a human right. It is time for Iowa City to join as a leader in this movement. We hope that this Resolution will raise awareness of domestic violence in the Iowa City community and inspire other communities to adopt similar measures.

Members from the Legal Clinic and DVIP would like to attend the City Council's meeting on March 23, 2016 to briefly present this Resolution and respond to any questions or comments that the Council may have. The Johnson County Coalition Against Domestic Violence, the Johnson County Local Homeless Coordinating Board, the Consultation of Religious Communities, the University of Iowa Center for Human Rights, and the Iowa City Human Rights Commission have voiced their support and are co-sponsoring this Resolution. We very much hope the Council will choose to adopt this Resolution. If you need additional information, we would be more than happy to provide it. Thank you for your consideration.

Subject: invitation to participate in criminal justice reform symposium

Dear Stefanie:

We hope you are well.

We are writing to invite your organization to consider participating in a symposium on criminal justice reform in Iowa on April 22. The event, convened by the University of Iowa Center for Human Rights, will provide an opportunity for stakeholders and interested parties from the Iowa City community to come together to discuss how we can build a fairer and stronger criminal justice system. State Representative Helen Miller and other state legislators will be in attendance. The symposium will be structured around four topics: education & socioeconomics; policing; courts & corrections; and solutions. While we plan to identify a few primary discussants on each topic, we intend for this to be an open dialogue among all attendees.

The symposium is scheduled to take place from noon-5:00 p.m. on Friday, April 22, in the Lindquist Center on the University of Iowa campus. We hope that you will consider participating. Please let us know at your earliest convenience whether we can expect representatives from the Iowa City Human Rights Commission.

Dear Stefanie

Thank you! Thanks to the Iowa City Human Rights Commission and 28 other co-sponsors, the annual Night of 1000 Dinners 2016 was a success. We hosted a sell-out audience of 200 people, enjoyed an international dinner, and celebrated International Women's Day with a powerful presentation by Zeljka Krvavica, a refugee advocate from Des Moines.

I want to thank you for your co-sponsorship which enabled us to donate over \$1,500 to the UN refugee agency (UNHCR). In addition, ticket sales generated support for Iowa UNA's educational programs, including the upcoming Hike to Help Refugees, April 23. Enclosed please find a copy of the Night of 1000 Dinners program.

Night of 1000 Dinners 2017 will be March 9 of next year. We look forward to your participation.

Meanwhile, all best wishes,

With gratitude,
