Pool Use during open hours

Indoor pool parties during Open Swim can take place between the hours of 1:00 p.m. and 7:30 p.m. Your party will include a 3-hour room reservation and access to the pool during that time. Your total cost will be determined by which room you reserve and how many swimmers there are; the cost and capacities of the rooms are as follows:

Mercer Meeting Room	Mercer Wellness Room	Proctor & Gamble Room
Seats 20 total participants	Seats 30 total participants	Seats 50 total participants
\$26 per 3-hour increment	\$30 per 3-hour increment	\$46 per 3-hour increment

Since parties at Mercer Aquatic Center take place during Open Swim, a time in which the pool is available to the public, pool admission will be charged differently than it is with the party package at Robert A. Lee at this time. Hosts are able to obtain pool admission in two different ways—first by paying the \$4 Drop-In Fee for each swimmer, or by purchasing a 10-Punch Pass which can be purchased in increments of 10 for \$31.00. Please note that 10-Punch Passes do not expire and can be used after the party if there are between 11 and 19 participants. Pool admission can be purchased at the start of your reservation at the front desk at Mercer Aquatic Center.
